The reception can be a joyous celebration or a quiet one, as you wish. The wide lake and the great North Woods set the scene; the authentic Great Camp atmosphere of the hotel, the extraordinary service and the very fine cuisine make it an exceptional occasion. As with the wedding and rehearsal dinner, there are many sites to choose from for a unique reception: the dock, a tent at the lake's edge, the stone terraces, the dining room, the Adirondack Room, Baby Bootlegger, the Wine Cellar, the barge, even the woods.

The Wedding Coordinator can help you create magical details: perhaps the bridal party will arrive on ice skates over the frozen lake, or depart by horse-drawn sleigh, perhaps the bride and groom can set off for a few private moments in a chauffeured, beribboned Hacker-Craft, champagne in hand; perhaps fireworks are in order, or are greeted by a raucous bluegrass band. Anything is possible.
